Re: Minerex Environmental Limited

To whom it may concern

I confirm that Minerex Environmental Limited Hydrogeological Consultants were engaged to carry out consultancy services for the Corrib field development projects. The services of Minerex Environmental Limited have been most satisfactorily executed.

These services are briefly outlined as follows:

- Collection, compilation and interpretation of Surface water and Groundwater data.
- Surface and groundwater monitoring programme scoping and execution.
- Presentation of data and cross-examination at Oral Hearing.Weather Station Installation.
- Materials management strategy.
- Potential hydraulic and hydrochemical impacts of pipeline installation.
- Marine Institute Habitats Study - Low level Infrared Survey of Bellanaboy River.
- Carrowmore lake Sediment Sampling.
