To Whom It May Concern

Minerex Environmental Ltd. were engaged by Kerry Co. Council as Hydrogeological Consultants to locate groundwater services at Ballybunion, Ballyferriter, Camp, Portmagee and Ballinskelligs. Substantial water sources were located by them in all the locations. They have also carried out Hydrogeological surveys for us at Cloghane and Dun Chaoin. We have found Messrs Minerex Environmental Ltd. efficient and satisfactory in all our dealings.

P. Daly, E.E. (*Executive Engineer*)
